ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the traditional custodians of this land and offer our respects to the aboriginal elders of past and present. We remember that our kindergarten is built on traditional aboriginal land, and support knowledge recognition and respect for Aboriginal people and culture.

WELCOME TO OUR CENTRE

Welcome to Boondall Kindergarten and congratulations on choosing an affiliated Lady Gowrie Qld Community Kindergarten. Your family is now part of a long tradition in quality early childhood education and care.

To build genuine partnerships we believe it is important that staff value children and their families. Staff acknowledge the importance of families and communities at the service and appreciate the ongoing support of families who give their time and skills generously. Boondall Kindergarten aims to engage children and families in a sense of community, cooperation and collaboration. We encourage you to become actively involved in this centre. Your involvement will enrich your child's learning experiences and promote positive self-esteem.

CENTRE HISTORY

The Kindergarten began in the old scout hall in 1967. The Boondall Progress Association owned the land and hall and rented the premises at no cost. On 10 September 1969 a motion was passed unanimously to transfer the property to the Boondall Kindergarten Association (B.K.A.) for \$1.00. On 9 July 1970 the B.K.A. became incorporated. On 10 September 1970 consent was given to erect the building which is now the Kindergarten. It was officially opened on the 25 September 1971 by Mr. Jack Melloy M.L.A. Mrs. Marie Buckler was the first teacher at the centre. In 1993 the Kindergarten became licensed under the new guidelines controlled by the Department of Family Services.

NATIONAL QUALITY FRAMEWORK

The early childhood education and care sector in Australia now operates under the National Quality Framework (NQF). Boondall Kindergarten delivers a Queensland Government approved kindergarten program. We adhere to the National Quality Standards, and have implemented a Quality Improvement Plan, which is an ongoing improvement document under continual review. For more information, speak to your child's teacher. The Australian Children's Education and Care Quality Authority oversees the NQF. For more information, visit <http://acecqa.gov.au/> or phone 1300 422 327.

AFFILIATION

The Boondall Community Kindergarten is affiliated with Lady Gowrie Qld Community Kindergartens. As an affiliated centre we adhere to the Department of Education's recognised play-based curriculum and the Queensland Kindergarten Learning Guidelines. This allows children to problem solve, discover and learn how to be independent thinkers.

The affiliation provides firm guidelines for the:

- smooth running of the Centre;
- ensures that the Kindergarten provides education of a high standard;
- receives the appropriate Government subsidy of approximately \$2,800 per enrolled child. This is roughly 50% of all running costs of the Kindergarten. Fees are calculated to cover the balance of salaries and running costs.

Boondall Kindergarten is approved and regulated by the Office for Early Childhood Education and Care under the Education and Care Services Act 2013. The Centre must meet the requirements, experiences and programs, numbers of staff members and children, and staff members qualifications according to the legislation.

GOALS AND AIMS OF A KINDERGARTEN EDUCATION

1. The Centre is a community owned, non-profit organisation which aims to provide a learning environment and experiences that will enhance and give meaning to the child's relationships with the world and its people.

The curriculums we follow in the Boondall Kindergarten program are known as the Queensland Kindergarten Learning Guidelines and "The Early Years Learning Framework". The ELYF focus is on the areas of:

- Belonging

Please see your teacher for more information about your child's development and our philosophy of learning that underpins our programs.

EDUCATIONAL CURRICULUM

A flexible, child-centred curriculum which follows the Queensland Kindergarten Learning Guidelines and the Early Years Learning Framework is implemented for each group. The day consists of free selection of resources and focuses on play in both the indoor and outdoor learning environment. Group sessions occur at varying intervals during the day, emphasising language development and experience with stories and music and movement. We recognise that every child is an individual. We aim to enable each child to develop at his/her own pace throughout the year. Your child's curiosity, enthusiasm and love of learning will continually be encouraged by staff. As teachers and children engage in inquiry together, children are learning to observe, ask questions, reflect on their actions, and engage in meaningful and self-directed activity. To make sure we nurture and develop our future generations of thinkers, play is an essential component of a quality early childhood educational experience.

PHILOSOPHY STATEMENT FOR BOONDALL KINDERGARTEN

We believe that children are competent and capable learners. They come to our centre with prior knowledge, understandings and experience therefore we recognise each child as an individual. We recognise that families, the extended family and the community are the most important influence on the child because they provide the context for children's growth and development including the development of beliefs, values, knowledge, skills and attitudes.

Our centre believes that the year prior to school entry is a fundamental time for establishing foundations for a love of learning that will last a lifetime.

The role of the educator is to provide a program and environment that caters for the children's rights to play, their right to their culture/languages and their right to be active participants in the curriculum. We have a commitment to a sustainable future and encourage and model responsibility in the natural and built environment.

Learning is meant to be fun and play is the fundamental medium for children's learning. When children play they approach experiences with interest, ownership, empowerment and possibility. As educators we play an important and significant role in valuing and supporting children's play. We provide opportunities for children to explore and communicate through a range of media and technology.

Through the implementation of the Early Years Learning Framework and the Queensland Kindergarten Learning Guidelines curriculum, we invite children and adults on a journey. This journey requires a commitment to potentials, possibilities, aspirations and inspirations from all stakeholders.

OUR CENTRES GOALS

- To create an atmosphere of trust, security and comfort
- To provide a safe, clean and sustainable environment
- To provide an enriched and stimulating environment to meet the needs of the whole child.
- To acknowledge the uniqueness and individual worth of each child and their families.
- To provide a program that meets the needs of both the group and individual child.
- To utilise the skills and knowledge of our families and the wider community

Our aim is to;

- Understand children
- Build partnerships
- Establish inspiring and flexible learning environments
- Support the children's play
- Provide positive outcomes for our children

Families

Families, the extended family and the community are the most important and powerful influence on the child because they provide the context for children's growth and development including the development of beliefs, values, knowledge, skills and attitudes.

Therefore, Boondall staff value the knowledge and provocations and questions that families bring and share and, in turn families are asked to value the professional knowledge and experience that staff bring to the learning community and to the family staff relationship.

Boondall Kindergarten Staff believe that...

Staff within our setting value and respect the children, their families and each other and in turn have the right to be valued and respected by the children, families, and members of the community.

In Summary

In early childhood school as well as the wider community, parenting, educating and caring for children is and should be a shared responsibility. As members of this learning community Boondall Kindergarten staff are willing to share this role with families valuing and embracing diversity and upholding the rights of children and of each other and accepting the responsibilities that these relationships require.

We encourage families to actively participate in the education and care programs and aim to engage in constructive and co-operative working relationships with families. We are committed to protecting the safety and wellbeing of the children in our care, their families, staff members, volunteers and all other invitees or visitors to our service. Consequences of Non-Compliance

Not complying with this Code may have serious consequences. We will endeavour to resolve any matter involving this Code by facilitating discussion between the parties. If the non-compliance is of serious nature or if, in the opinion of our management committee, there is a risk of future non-compliance, we may take any action it considers appropriate in the circumstances. This may include cancelling a child's enrolment at our service.

THE FIRST FEW DAYS

The early days of attendance can be an unsettling time for both child and parent. Here are some hints that may make it easier.

- Talk to your child about the Centre. No matter how young your child may be they will benefit from knowing about what is going to happen.
- Take advantage of the opportunities to orientate yourself and your child to the Centre.
- On the first day allow yourself plenty of time to settle your child and yourself.
- Remember you can ring at any time during the day to find out how your child is going.

How will I know when to say good-bye?

Allow yourself time to share an activity with your child. This will show your child that you are interested in the activities and their day. When your child is settled, then leave. Do not prolong the farewell. When you say you are going to - leave. Always tell your child that you are going and always tell them when you are returning.

Farewell the staff so that they know you are leaving. Teachers are ready to provide the extra support that your child might need at this time. If you leave a crying child you can telephone the Centre later in the day to assure yourself that the child has settled. In most instances you will find that he or she has settled.

What should I know about picking up my child at the end of the day?

Greet your child warmly. To assist children to share their day, staff will provide a summarised account of the main events throughout the day. This gives you a basis to generate discussion with your child about their time at kindy.

Most importantly if you have any concerns about your child's day please talk to your teacher. OPEN COMMUNICATION IS VITAL TO YOUR CHILD'S DEVELOPMENT.

Is your child ready? What can I do to prepare my child for Kindy?

You and your child will be very excited about beginning Kindy. Here are some suggestions to help your child make the transition from home to Kindy a successful one.

- Encourage your child to develop the independence skills of dressing themselves.
- Practice with your child tidying up their toys and bedroom.
- Can your child open lunch boxes and unwrap food?
- Does he / she know which shoe goes on which foot? By allowing your child the time to complete this task on their own, you are promoting a positive self concept.
- Is your child independently toilet trained? By practising this IMPORTANT skill prior to attending Kindy your child will benefit from a smooth transition.
- Health and hygiene are a priority at Kindy. For the benefit of all, please ensure your child can blow their own nose, dispose of tissue, turn on a tap and wash their hands.

REST TIME

Our centre will ensure that the needs for sleep and rest of children are met throughout the program year. The program and service environment will provide opportunities for rest and relaxation across the program day. Where a rest period takes place, staff will ensure that this is a positive experience for children which reflects individual, group and cultural needs. The Service will reflect on the routine of the program throughout the year, adjusting the rest period to be reflective of children and family needs.

BIRTHDAYS

Your child's special day may be celebrated by sharing cakes with the group. Patty cakes are a good option, as they are a reasonable portion for the children.

TOYS

There is a wide assortment of developmentally appropriate toys at the centre. We prefer that the children leave their own toys at home to avoid toys becoming lost or broken. The exception is a soft cuddle toy for rest time.

FOOD AND NUTRITION

This Centre upholds the concept of wholesome nutrition based on the five basic food groups. Fruit and vegetables, cheese and biscuits, crackers, yoghurt, sandwiches, etc are promoted as appropriate snack foods and water is readily available.

Parents are advised to consider sending healthy food choices with their child eg. low sugar, no chocolate, low salt. If parents wish their child to have these items, it is recommended that they do so at home where teeth can be cleaned immediately after eating.

REQUIREMENTS FOR KINDERGARTEN

PLEASE NAME ALL ITEMS!!

1. **One named lunch box** of which is easy for your child to open themselves, so as to encourage independence. Insulated lunch bags **are not** to be stored in the fridge as they prevent the food from becoming cold in the fridge. **If you wish to use a chiller bag between home and the Centre, please remove your child's lunch / morning tea from the insulated bag before placing in the Centre's fridge. Keep your chiller bag in your locker please.**

The Kindy bag needs to be of a good size to fit lunch boxes, sheets, paintings, etc.

2. **One drinking water bottle** – one bottle approx 500ml – 750ml for your child to drink from during the day. This bottle will be kept in a designated basket that is easily accessible for your child to help themselves to a drink of water throughout the day.

3. **Two sheets**—cut two pieces fabric, bottom sheet →143cm x 65cm and hem all round to a finished size of 139cm x 61cm, and top sheet →144cm x 85cm and hem all round to a finished size of 130cm x 81cm. To finish off the bottom sheet—Cut 1m of strong 2.5cm wide elastic into 4 x 25cm pieces. Affix elastic diagonally across each corner of the bottom sheet, stitching it to the side hem of the sheet 15cm from corner of fabric (as per diagram below to the left. See red dotted line.) Please reinforce the stitching over elastic, as this is an area of the sheets that often pulls away during the year. Final step —fold the four corners under on this bottom sheet onto wrong side of fabric and stitch flat. (please ask teachers for a demonstration)

Please write your child's name on top of both sheets so it's visible

4. One sheet bag with drawstring approx. 50cm square.
5. A light blanket for winter is a good idea. **(Same size as sheet)** Some children feel more comfortable with a **small pillow**. Please no bigger than 30cm square. **Please ensure it can fit inside the sheet bag.**
6. One library bag with draw string approx. 50 cm square.
7. **One broad brimmed hat or legionnaires cap. Baseball caps do not provide adequate sun protection.** (As per Sun smart Policy.)
Children will not be allowed to play outdoors if they do not wear a hat.
8. **A spare set of clothes should be placed in a re-useable wet pack/bag**, clearly named and left in the child's bag.

ALL ARTICLES ARE TO BE LABELLED WITH THE CHILD'S NAME.
(Including both sheets, blankets, pillows, hat, shoes, sheet bag)

CLOTHING

Participating in all of the activities of the centre can be a messy business. Exploring and feeling different mediums are important for the development of many skills. Please ensure that your child is able to participate with the group by sending your **child in comfortable play clothes**. We try to use paint and other mediums that do not stain clothing, however, we cannot guarantee that certain materials will not be permanently stained. You may wish to consider setting aside certain articles exclusively for use at the Centre.

LITTERLESS LUNCHES

Our Centre promotes litterless lunches. We ask that children use reusable containers and you refrain from sending pre-packaged foodstuffs (including twist top yoghurts and pre-packaged snacks and biscuits). A compost bin is provided for food scraps. Any litter will be sent home.

INCLUSION POLICY

At our centre, we aim to promote an inclusive anti-bias curriculum which will value the uniqueness of each child acknowledging gender, culture or national origin, religion, family diversity, age, race, ability and indigenous people.

SICK CHILDREN

- Children with contagious illnesses or heavy colds will not be admitted to the Centre.
- Parents must contact the Centre to report contagious illnesses.
- In the event of a child becoming ill in the Centre, the parent will be contacted; therefore it is imperative that the parent ensures the current telephone numbers are with the person-in-charge at all times.
- In the event of a parent or contact not being available, the Director or person-in-charge will take whatever steps are considered to be necessary to ensure the child's well-being.

Children with vomiting, diarrhoea and/or conjunctivitis must have commenced treatment and secretions stopped before a child will be re-admitted to the environment. The last occurrence of vomiting/diarrhoea must be at least 24 hours prior to the child re-attending the environment.

A list of communicable childhood diseases their symptoms and exclusion periods are listed at the end of this information book. If you have any further questions please discuss with the teachers or your doctor.

MEDICATION (AS PER Lady Gowrie Qld POLICY STATEMENT)

1. In the interest of children's safety and wellbeing, medication will only be administered if it is prescribed by a registered medical practitioner, in its original container, bearing the original label with the name of the child to whom the medication is to be administered, and before the expiry or use-by date.
2. Medication is given to treat a condition. One cannot be sure what reaction a child may have to a medication that they have not previously taken. Parents are asked not to bring their child to the Service until **at least 3 doses** of any new medication (they have not taken previously) have been administered.
3. Whenever possible medication will be administered by Parents / Guardians at home.
4. The child's name, parent's signature, name of medication, dose and how the medication is to be stored (eg. Refrigerator) must be entered into the medication book on a daily basis and dated. The signature of the staff member who gives the medicine and the signature of the staff member who witnesses the giving of the medicine are also recorded in the medication book.

Boondall Kindergarten holds an emergency Salbutamol Inhaler & Spacer for emergency asthma first aid and an emergency Adrenaline Auto Injector (Epipen) for emergency anaphylaxis first aid. Authorisation for this is as per the enrolment form.

SUN PROTECTION

We wish to ensure that all children attending our Centre are protected from the harmful effects of the sun throughout the year.

We strongly encourage parents/carers to follow steps as outlined by our Lady Gowrie Qld sun protection policy:

- provide a well-fitting, named hat, broad-brimmed style (brim of 8 – 10 cm), bucket style (with a deep crown and brim size of at least 5 cm) or legionnaire style (not cap) that shades the face, back of neck and ears.
- Provide clothing that covers the shoulders and arms, preferably with a collar, and longer style shorts and skirts to provide protection from the Ultra Violet rays of the sun. Singlet tops do not offer enough protection and are therefore not recommended.
- Apply broad spectrum sunscreen (SPF 30+) to their child each morning upon arrival at the Service if this is not applied prior to arrival.
- Where a child has sensitive skin, provide a personal sunscreen. *This sunscreen must be left with a staff member not in the child's bag or locker.*
- Complete an objection to sunscreen form if relevant for their Family.
- Act as role models by practicing Sun Protection behavior and protecting their own skin.
- Provide a spare T-shirt in the summer months.

ENVIRONMENTAL SUSTAINABILITY

The Early Childhood Australia Code of Ethics stated that we must work with children to help them understand that they are global citizens with shared responsibilities to the environment and humanity. The following Environmental Sustainability practices are in place at Boondall Kindy

- Providing recycling-only bins and encouraging children to recycle
- Reusing packaging, paper and other items for craft activities
- Providing a natural outdoor play environment, including vegetable gardens that children are encouraged to engage with and assist with the care of.
- Providing compost bins for composting leftover food materials.
- Encouraging use of sustainable packaging for food brought from home. (reusable containers)
- Discourage use of plastic wrap and paper bags brought from home.
- Encouraging litterless lunches.
- Solar powered

WEARING SHOES

This Centre recognises the benefit of **barefooted play for children's safety, growth and the development of sensory awareness**. Shoes are a hazard in outdoor play areas. Nerve endings in the feet can sense the variety of textures. Bare feet can grip climbing equipment and promote more effective balance and control, eg. during music sessions or when climbing.

As an additional benefit, noise levels may be reduced indoors when shoes are removed. Children can be encouraged to remove and replace shoes themselves: an independence skill to be fostered.

INJURIES

Parents of an injured child will be contacted immediately. An "incident" report is kept at the Centre to comply with the Workplace Health and Safety Regulations.

IMMUNISATION IS VITAL

We strongly recommend that children should be immunised against diphtheria, whooping cough, tetanus, poliomyelitis, chicken pox, measles, mumps and rubella. Immunisation is our protection against epidemics of highly infectious childhood diseases. The diseases, though rare in Queensland in recent times, are still in existence and if the community level of protection is not kept high, epidemics will occur in the future.

Parents of non-immunised children will be asked to sign a "Conscientious Objection to Immunisation" form, thus agreeing to the removal of their child should an outbreak of a preventable disease occur. For further information, please refer to Lady Gowrie Qld policy.

FIRE DRILLS, EMERGENCY & EVACUATION PROCEDURES

We practice **fire evacuation drills and lock downs** so staff and children are familiar with the procedure. Evacuation procedures are displayed in the room. If the fire bell is ringing, please do not enter the premises. In the event of a lock down, procedures are in place to ensure safety of staff and children. (Procedures as per Lady Gowrie Qld Environmental Hazards Policy)

HEALTH, HYGIENE & SAFETY

As per regulations, compliance with Health, Hygiene & Safety policies are followed in the Centre, as outlined by current Workplace Health & Safety Standards. Policies include:

- Risk and safety assessment;
- Use of disposable gloves;
- Hand washing;
- Sunscreen application.

INSURANCE

Boondall Kindergarten holds insurance with Guild Insurance Ltd. Policy No. P00248567

SMOKING

Smoking is not permitted at any Early Childhood Education and Care facilities, and for five metres beyond their boundaries.

STUDENT PLACEMENT/WORK EXPERIENCE

This Centre recognises the importance of student placements as being consistent with the long term training of staff in the provision of quality education and care for children. Students are supervised both by Centre staff and by University/TAFE Staff. Please note at no time will a student or volunteer be left alone with the children. All students must hold a blue card.

FEES

The Kindergarten is a non-profit organisation and receives funding from the State Government QKFS (Queensland Kindergarten Funding Scheme). This funding contributes to some of the costs associated with running the Kindergarten but does not cover all costs. Costs include staff wages, rates, insurance, electricity, telephone, cleaning, maintenance, educational aids, crafts materials, Lady Gowrie Qld affiliation fees, staff training, show/presentations etc. Kindergarten fees provide the additional funds to cover these costs. Kindergarten fees are set annually as part of the Kindergarten budget process and approved at a management committee meeting. It is very important that fees are paid on time to ensure the efficient running to the Kindergarten.

As the QKFS per child funding is a major contribution to cover costs for enrolled children if you DO NOT nominate our centre for QKFS, you will incur additional fees to offset this lack of funding.

FEES STRUCTURE

Fees for 2021 include:

Fee	Details	Per year
Enrolment Fee **		
Administration Fee	Non-Refundable	\$139
Membership Fee	Non-Refundable	\$11
Roster Bond	Refundable if roster requirements met	<u>\$100</u>
		<u>\$250</u>
Term Fees	\$840 per term <i>\$20 discount applies if payment received in full by the due date.</i>	\$3,360

*** Enrolment Fee payable to secure enrolment. Pro-rata fees may apply on administration & roster bond for mid-year commencement.*

Fees are payable for enrolled children whether they attend Kindergarten or not. Illness, exclusion due to an infection and/or vaccine preventable disease and public holidays are not exempt from payment.

The Kindergarten is a non-profit organisation and we have limited enrolment numbers. The withdrawal of a child from the Kindergarten greatly affects the financial position of the Kindergarten.

To minimise the loss of income to the Kindergarten we request that four weeks notice in writing (or two weeks fees paid in lieu) of intention to withdraw a child from Kindergarten be provided. **As it is too disruptive to the Kindergarten to replace a child during Term 4 any advice of withdrawal received after Term 3 finishes will incur the full Term 4 fees.** In the event of a child's non-attendance for 2 weeks and no notice being received, the child's enrolment will be automatically suspended. Please advise in advance when going on holidays or notify the Director if your child cannot attend due to illness.

FEE DUE DATE & PAYMENT OPTIONS

Fees are due in full by the due date. A term invoice will be emailed at least 2 weeks prior to the due date. Payment can be made by direct debit via internet banking or at any Bank of Queensland (BOQ) branch. Bank account details will be recorded on the term invoice. Please use your child's full name as reference.

No cash/cheque/money order payments please!

You must pay by the due date to receive the \$20 discount. Due dates for 2021 are:

Term 1 – Friday 12th February 2021

Term 2 – Friday 23rd April 2021

Term 3 – Friday 16th July 2021

Term 4 – Friday 8th October 2021

To assist families to pay fees they may elect to enter into a fee payment plan to make weekly, fortnightly or monthly payments. This is done via completing an Ezi Debit payment plan form which is available from the Finance Administrator. Families using Ezi debit payment plans will not be entitled to the \$20 discount and all fee payments must be completed by week 6 of Term 4.

To make alternative payment arrangements, you must speak to the Finance Administrator before the invoice due date.

FEES IN ARREARS/ LATE FEE

Non-payment of fees by the due date or in accordance with an approved payment plan may result in your child(ren)'s enrolment being cancelled.

If fees are outstanding upon the departure of the child(ren) from the Kindergarten, the outstanding debt remains payable to the Kindergarten.

The Kindergarten reserves the right to take action to recover debts owing to us. The cost of recovering any debts owed (including legal fees) will be added to the outstanding debt owed and will become a debt payable to the Kindergarten by the parent/guardian.

Staff must perform many non-contact tasks after Kindergarten closing times and must be able to leave work on time. For this reason it is critical that children are collected on time. Where a child is not collected by the Kindergarten closing time a late collect fee may be imposed.

QKFS KINDY PLUS SUPPORT

Families of eligible-aged children may be eligible to access QKFS Plus Kindy Support. This support is available to children who meet one of the following criteria:

- a current Australian Government Health Care Card (HCC), Pensioner Concession Card or Department of Veterans' Affairs Gold Card or White Card (or formal communication, such as a letter, from the relevant agency stating the intent to issue a HCC)
- The child is Aboriginal and/or Torres Strait Islander and the family chooses to identify them as such on their enrolment form
- The family has 3 or more children, of the same age, enrolled in the same year

If you believe you are eligible for QKFS Plus Kindy support, please ensure you provide relevant details on enrolment (or as soon as possible in the event that your circumstances change during the year). Please speak to the Finance Administrator if you require more information on this support.

QKFS Plus Kindy Support payments will be allocated to Term Fees when received. If you pay full fees and later QKFS Plus Kindy Support payments are received the payment will be applied to your account and a refund issued (if applicable). In the event that you cease to be eligible for QKFS Kindy Plus Support you will be liable to pay Term fees due.

ROSTER BOND

At the end of Term 4 families are eligible for a refund of roster bond paid on enrolment. To be eligible for a refund, families must have completed roster requirements. For a full year enrolment, this includes contribution to:

- Maintenance of education facilities (1 working bee)
- Decision making processes of the centre (attend 2 meetings)
- The day to day education of the children (4 parent rosters)

Enrolments commencing mid-year will be advised of roster requirements.

MEMBERSHIP

Each family is required to pay a non-refundable membership fee on enrolment. You will then be a financial member of the Association allowing you to vote at Annual and Special General Meetings.

FAMILY INVOLVEMENT / VOLUNTEERS

This Centre recognises the important role played by parents in the education of their children and values parent participation and involvement on a variety of levels eg. sharing skills and interests in the educational curriculum, attending parent meetings and social functions and becoming involved at committee management level.

We appreciate any relevant information you can share about your child with the teacher. This enables the staff to understand your child's and family's needs better.

Rostered times ensure that there are a comfortable number of adults in the Centre at any one time. Any help you can give us is always very much appreciated. By law, any parent or guardian who has received a negative notice of a blue card or has a prior conviction must not volunteer to help with supervision or hold a committee position.

PARENT RESPONSIBILITIES

It is the Parent's responsibility to:

- notify the children's teacher regarding changes in information recorded about a child. This includes current information as to emergency contact numbers/court orders/changes in family arrangements. These changes may impact on the child's behaviour or emergency contact action,
- comply with relevant health & hygiene policies of the centre,
- sign all enrolment forms, including the enrolment agreement (a condition of enrolment) and return these to the centre.
- As a community kindergarten, feedback is vital. From time to time you may be asked to complete a survey about a particular issue. You are encouraged to participate in these surveys.

PARENT/TEACHER COMMUNICATION

Parents are encouraged to speak with their child's teacher about their child's progress, or any concerns they may have. Open communication between parents and staff facilitates positive home/kindergarten relationships based on trust and positive cooperation.

Where discussion is needed it is important to make an appointment to speak with the teacher outside of session times rather than to take the teacher's attention away from the children. This also gives the teacher the opportunity to refer to developmental records and observations while discussing any concerns. Roster days are also an ideal time to discuss important matters.

Where a parent has any concern relating to the curriculum, the waiting list or roll, this Association advocates that the parent make direct contact with the teacher responsible for that group of children.

Where a parent has any query relating to the payment of fees or any matter relating to committee management or administration, this Association advocates discussion with the appropriate committee member or administrator.

If the parent remains unsatisfied, or feels unable to approach the teacher further, they should contact first the Director, and then, if necessary, the Boondall Kindergarten Association President.

If the parent is still not satisfied, a complaint should be made in writing to the Boondall Kindergarten Association Management Committee

If the matter cannot be resolved, the Lady Gowrie Qld Early Childhood Education & Care Consultant, Tracy Mulloni may be asked to assist - 0419 311 704 or tracy.mulloni@ladygowrie.com.au.

Finally, the Office of Early Childhood Education & Care may be contacted for further assistance. The Office of Early Childhood Education & Care can be contacted on 3634 0532 (Nundah Office).

WAITING LIST

A child wishing to attend the Kindergarten may have his/her name placed on the waiting list on or after the day on which he/she was born. A non-refundable fee of \$10.00 is payable upon enrolment.

Children are offered a place strictly in accordance with their position on the waiting list.

PARENT LENDING LIBRARY

There is a parent resource library for borrowing. These books may be borrowed for two weeks. Please ensure that the book is signed out and in again.
