

Boondall Kindergarten Fee Policy & Procedure

Boondall Kindergarten is committed to providing families with clear and transparent information about the fees we charge and how we administer those fees.

When you enrol your child at Boondall Kindergarten you enter into a fee agreement with us. The Summary of Fees Payable table (located at the end of this policy) lists the fees that we charge.

Enrolment Fees

Enrolment at Boondall Kindergarten will not be confirmed unless the enrolment fee is paid in full by the due date specified on the enrolment offer (or as per approved payment plan terms). An enrolment offer may also be cancelled if documentation required to complete the enrolment process is not completed by the due date.

Refund of Enrolment Fees

In the event that a child does not attend the enrolment year or withdraws an enrolment, the enrolment fee shall be forfeit. An application may be made (in writing) to the Executive Committee for consideration on waiving the forfeit for special circumstances. The Executive Committee's decision will be final.

Government Fee Subsidies (including FREE Kindy)

Eligible-age Queensland children are entitled to attend for 15 hours per week or 30 hours a fortnight for 40 weeks of a calendar year for FREE. To be eligible for FREE Kindy:

- Your child must be of eligible age (at least 4 years old by 30 June of the kindergarten year).
- Only one centre can claim the funding subsidy for your child for FREE Kindy. If your child is enrolled in another kindergarten program (eg childcare or another kindergarten) while they are enrolled at Boondall Kindergarten, you will need to choose which centre you would like the funding applied to. If you do not nominate Boondall Kindergarten, we ask that you discuss this prior to enrolment acceptance as additional conditions & charges will apply.

Full fees will be charged for children enrolled in more than one kindergarten program and for children that are non-eligible age.

Kookaburra Group (Mon, Tues, Wed) – Extended hours Kindergarten Group. Children attend for 17.25 hours per week. This means that 15 hours of care will be funded under the FREE Kindy model and families will be charged for the extended hours program via a per Term invoice.

Lorikeets Group (Thurs, Fri) – Free Kindergarten Group. Children attend for 15 hours per week. Eligible children will attend for FREE.

Boondall Kindergarten must follow Government regulations for applying subsidies/ support.

Parent/Guardian Responsibilities - You may be eligible for government subsidies to reduce your fees. To access these subsidies, you must:

- provide us with all documentation necessary to verify your entitlement to free kindy (eg proof of birth, immigration/visa information) within seven days of request
- notify us in writing if there are any changes to your entitlement to receive a subsidy

You may be charged full fees if:

- you are not eligible for a subsidy
- you do not provide Boondall Kindergarten with the necessary information required to claim for a subsidy within allowed timeframes

- you are no longer eligible for a subsidy/support.
- a subsidy to which you were entitled is later withdrawn, even if this takes place after your child's enrolment with us has ended. For example: it is identified that you have been in receipt of funding for more than one kindergarten program and funding for one of those programs is withdrawn by the government.

If you pay full fees and later provide Boondall Kindergarten with information sufficient for us to claim any relevant subsidies/support, within the required timeframes, such subsidy/support amounts will be applied to your account.

Boondall Kindergarten's Responsibilities

Boondall Kindergarten will:

- follow Government legislation and guidance about applying subsidies
- administer Free Kindy funding based on the information you provide to us
- apply any subsidies received by us on your behalf to your account in accordance with Government regulations
- under Free Kindy rules, each eligible child is entitled to one subsidised program per week. Full fees will be charged for children enrolled in more than one kindergarten program and for children that are non-eligible age (early entry)
- where an eligible child is enrolled in an approved kindergarten program in both a funded Sessional Kindergarten and a Long Day Care Service, the Sessional Kindergarten will receive funding for the child.

Term Fees

Once a fee agreement has been entered into there is a cooling off period of 48 hours provided that your child has not attended the service during that period. Please note that the cooling off period is for kindergarten fees only and does not extend to the non-refundable Enrolment Fee.

Term fees will be invoiced per term and are due in full by the due date unless you have entered into an agreement to pay fees weekly/fortnightly/monthly. Term fees will be sent to the email address nominated by the parent/guardian via the XAP enrolment system.

Term fees can be paid by:

1. Direct debit via internet banking to the kindergarten bank account
2. Over the counter at a Bank of Qld branch to the kindergarten bank account
Bank account details will be recorded on the term invoice & are also available from the Finance Administrator. Please use your child's full name and invoice number as reference.
3. Via XAP Payment Gateway (eg Quickpay/Paychoice) with options included direct debit & credit card. This system is managed via the XAP enrolment system and details such as bank account details can be updated via this login. A payment plan of weekly/fortnightly/monthly payments can be created using this system. *There are charges associated with this option which are charged by the provider and families should ensure they are aware of these fees before using this payment option.*

Any payment plan options (eg weekly/fortnightly/monthly) shall be completed by week 8 of Term 4 unless approval has been granted from the Finance Administrator to extend beyond this date.

Fees are payable for days on which public holidays fall and your child is enrolled in care for that day on a term basis. Fees are payable for pupil free days applicable as per the kindergarten calendar. Fees are payable if the child does not attend due to illness or other absence.

Boondall Kindergarten will, at its discretion, consider alternative payment options. Immediately contact the Finance Administrator if you cannot pay your fees by the due date.

You will be charged all applicable fees until you cancel the enrolment in accordance with this Policy.

For partial enrolment during a term, Fees shall be pro-rata based on the number of days enrolled over the number of kindergarten days in the kindergarten term.

Notification of Absences & impact on kindergarten funding for extended absences

If a child will not attend the enrolled kindergarten program (eg illness, holidays) we ask the parent/guardian to advise of the absence as soon as possible. If you intend to take an extended absence (eg due to a long holiday) we ask you provide us with advance notice (minimum of 2 week's notice is preferred) as we may need you to complete additional paperwork. Please be aware that **FREE** kindergarten funding may be impacted on extended absences.

To advise of an absence the following methods may be used:

- Mark your child absent via the Parent Portal App (XAP enrolment system)
- Complete a Child's Absence Notification form (available at the kindergarten) – *NB This option is required if the absence is greater than 5 weeks.*
- Email notification to admin@boondallkindy.com.au
- Storypark notification
- Phone message to kindergarten landline - *NB: this is the LEAST preferred method of communication for absences*

As a Central Governing Body, Lady Gowrie Qld is able to support a period of notified absence for a consecutive period, on one occasion during the program year of up to five weeks. In this instance, this period of absence is only applicable where the Eligible Child has commenced attendance in the kindergarten program (eg it is not able to be supported for the start of the program year and the child has not yet attended the program in that program year).

A family for example, that is taking an extended holiday in term two, will be eligible to receive Free Kindy under Queensland Kindergarten Funding, for up to five weeks. Following the conclusion of this five weeks, any additional continued absence may incur a daily fee equal to the full "non-eligible" daily fee (as per the fee schedule). If there are extenuating circumstances, we will consider your application in writing to reduce/waive the additional fee.

Boondall Kindergarten must advise Lady Gowrie Qld as the CGB of the extended absence through completion of a Record of Extended Absence from a Sessional Program Form.

Overdue Payment of Fees

Fees are considered overdue if not paid by 5.00pm on the due date.

An overdue fee and interest at commercial bank overdraft rates will, at Boondall Kindergarten's discretion, be charged on overdue accounts.

Recovery of Outstanding Fees

Boondall Kindergarten will act in its discretion to recover any outstanding fees and we may:

- enter into a payment plan with you
- refer the recovery of outstanding fees to a debt collection agency (the cost Boondall Kindergarten incurs to recover outstanding fees will be added to the amount of outstanding fees)
- bring legal action against you
- take any other appropriate and reasonable action
- add any reasonable recovery costs (eg debt collector fees) to your account

Any such action may negatively impact your credit rating. Boondall Kindergarten will comply with consumer protection laws and with the guidelines of the Australian Competition and Consumer Commission (ACCC) and the Australian Securities and Investment Commission (ASIC).

Suspending or Cancelling Enrolment for Outstanding Fees

If you fall behind on payments, Boondall Kindergarten may:

- suspend your child's enrolment, unless we agree to special payment arrangements (eg a payment plan)
- continue to charge fees while your child's enrolment is suspended, for a maximum period of seven calendar days
- cancel your child's enrolment after the suspension period if the outstanding fees remain unpaid or if you do not adhere to the agreed terms of a payment plan
- continue action to recover any outstanding fees

Cancelled enrolments will be offered to the next child on the wait list. It is at Boondall Kindergarten's discretion whether you can re-enrol your child. No re-enrolment will be offered until all outstanding fees and charges are paid in full and there is an available place at the Kindergarten.

Cancelling Enrolment for Non-Attendance

Boondall Kindergarten will, cancel your enrolment if:

- your child does not attend continuously for two weeks; and
- you have not communicated with the Kindergarten; and
- Boondall Kindergarten cannot contact you

Cancelling or Ending Your Enrolment

- You must give Boondall Kindergarten **a minimum of two weeks' (14 calendar days) written notice** to cancel or end your child's enrolment.
- This notice period applies to all confirmed enrolments, even if your child has not yet started attending the centre

Written notice may be provided either by:

- Completing the Notice of Cancelled Enrolment Form and returning it to the kindergarten
- Sending an email to admin@boondallkindy.com.au
- Handing or posting a letter to Boondall Kindergarten (ensuring the letter is dated)

NOTE: Notice to end an enrolment provided verbally over the phone or face to face with centre staff is not accepted.

After the 48-hour cooling off period, in lieu of two weeks' notice in writing you will be charged for two weeks of your usual routine bookings in accordance with this Policy.

In the event that you have been claiming FREE Kindergarten funding at Boondall Kindergarten and do not provide this notice and are transferring to another kindergarten program it is the parent/guardian responsibility to notify the new kindergarten that the notice period applies and that Boondall Kindergarten is claiming the FREE Kindergarten funding for the notice period.

This notice period applies to all confirmed enrolments, even if your child has not yet started attending the centre (for example, if you cancel your child's enrolment a week before they are due to start attending the centre, you will still be charged fees for the second week of the notice period).

You will be required to pay for any routine bookings that fall within the two weeks' (14 calendar days) notice period whether your child attends during that time or not.

The two-week notice period does not apply if:

- *the enrolment ends due to a Government Department changing a child's arrangement, (for example, if a child is removed from home by child safety). Supporting evidence of the action taken by the agency will be required.*
- *Your child is eligible age and leaves the centre at the end of Term 4 of the current school year to go to school the following year.*

Fee Refunds

- If at the end of a Kindergarten year (or on cancellation of enrolment) a refund is owed to you the Finance Administrator will contact you for you to nominate bank account details to process a refund.
- Boondall Kindergarten may provide you with the option to donate any refund owing to the Kindergarten Building Fund. You are under no obligation to donate these funds, however, if you do elect to donate funds a tax receipt will be issued and the refund will be deemed to have been made.
- If Boondall Kindergarten has been unable to contact you after 90 days or you have not responded to our requests to provide your bank account details, the refund amount will be retained by Boondall Kindergarten.
- At any time in the future you may contact Boondall Kindergarten, to provide the required bank account details and Boondall Kindergarten will pay any valid refund amount to you (NB: claims older than 5 years will not be considered).

- Boondall Kindergarten will not attempt to contact you to refund amounts under \$2.00

Record Keeping

Boondall Kindergarten will confidentially record all correspondence, conversations and messages with the account holder, for the purpose of maintaining a written record of interactions, actions and credit history.

Changing Fees

Fees are typically reviewed at the start of a new calendar year (January) however Boondall Kindergarten can adjust fees at our discretion. In the event that Boondall Kindergarten makes changes to fees or payment processes, we will provide you with a minimum of 14 days' notice in writing in advance.
